

interior architecture

What makes Eye Joinery different ?

- Introduces style, impact and interest
- Increases value of development
- Makes an interior stand out from the crowd
- Decorative joinery available 'off the peg'
- Arrives on site pre-finished to high standard
- Components coloured to your requirements
- High quality, long lasting finishes
- Suitable for larger scale developments
- Avoids mess and decorating on site
- So simple and easy to use and fit
- Doors pre-hung, handles already attached
- Cost effective and affordable
- Designer looks at a fraction of the cost
- Makes rooms easy to furnish and dress
- All products manufactured in the UK
- Decorative joinery that is so ingenious!
